

# Submit an Exhibition Proposal

Peninsula Museum of Art

1777 California Drive, Burlingame CA 94010

Peninsula Museum of Art in Burlingame features 2D and 3D work of established artists from the Greater Bay Area. Our museum includes five galleries; each offers a unique exhibition space and viewing experience.

The PMA Curatorial Committee reviews exhibition proposals monthly. A curator will notify artists selected for consideration, and a studio visit will be arranged at that point. Final acceptance is based upon this studio visit and the subsequent decision of the Curatorial Committee. Exhibiting artists will be apprised of the PMA exhibition procedure.

The Museum Studios Gallery offers an additional space, which is managed separately by members of our Museum Studios department.

## How to apply:

- Email submissions will not be considered due to the complexity of our selection process.
- Be advised that exhibits are scheduled 1-2 years in advance.
- Include a brief statement of your proposed subject matter or theme.
- Include 5-10 good color photos of your work (include dimensions and mediums).
- Do not send CDs or flash drives.
- Include résumé/CV, website URL and links.
- Include any other relevant documents, i.e. articles or reviews.
- Include professional connections that might be useful for PMA marketing and outreach.
- Juried membership exhibitions require an installation fee of \$500.
